### Advertisement

The advertisement is a screenshot of a website for Manuscript Peer-Review Process (MPRP). The header is dark red with the logo 'Manuscript Peer-Review Process' on the left and contact information on the right: 'Email: support@editorialoffice@ipinnovative.com' and 'Support: +91-11-6384414, 6384415 | 9950436448 | 88'. Below the header is a navigation menu with links: 'About MPRP', 'Journals', 'Support and Training', 'Contact us', 'Track article status', 'Register', and 'Login'. The main content area has a light blue background. On the left, there is a section titled 'Manuscript Peer-Review Process' with a paragraph describing the service as a web-based portal accessible 24/7, offering editorial services, journal pre-publication services, editorial workflow, and post-publication services. It mentions that the platform is independent, requires no software installation, and only needs a username and password. Below this is another paragraph stating that MPRP manages authors, reviewers, and editors' details and integrates with social and professional networks. It is an in-house product of IP Innovative Publication Pvt. Ltd. On the right, there is a circular illustration showing a person at a desk with a laptop, surrounded by icons representing various aspects of the peer-review process like communication, editing, and publication. At the bottom left, there is a section titled 'Why MPRP?' with a partially visible sentence: 'If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your'.

## Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24\*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

### Why MPRP?
